An examination of candidates from the Madras Presidency will be held on Monday 13th September 1920, at the College of Engineering, Madras, and provincially at the office of any superior officer of the Public Works Department. REVENUE NOTIFICATIONS.

No. 6.—In virtue of the powers delegated under clause XIII (3) of Government Notification No. 488, dated 13th July 1918, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1920, Part I, the Commissioner of Salt, Abkari and Separate Revenue hereby cancels the minimum selling price of four annas per gallon or one pie per degree of toddy, fixed for the tree tax areas of the Presidency in Board's Notification No. 3, dated 21st January 1919, published on page 199 of the *Fort St. George Gazette*, dated 28th January 1919, Part II.

Board (Separate Revenue), Madras,
13th July 1920.

D. N. STRATHIE,
Acting Secretary.

No. 8.—In virtue of the powers delegated under clause XI of Government Notification No 483, dated 13th July 1898, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1898, Part I, and in supersession of Board's notification No. 13, dated 23rd June 1919, the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1920:—

(1) The whole of the ordinary tracts of the Ganjam, Vizagapatam and Godavari districts and in the Agency tracts of the last two districts the villages specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjengo, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by section or licensed separately;

(*b*) of persons having the exclusive privilege of manufacture and supply of cocoanut toddy arrack as foreign liquor;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the Godavari district in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district and in the Repalle and Bapatla taluks of the Guntur district for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State; and

(*g*) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption but not for sale.

In cases (*a*), (*b*), (*d*) and (*e*) the licences may be issued in the name of the applicant himself or his nominee, and in cases (*c*), (*f*) and (*g*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkari and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T.T. 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner of the trees intended to be marked, in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rent thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly

those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the licence. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district, in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, and in the Repalle and Bapatla taluks of the Guntur district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dudasal (*Areaga Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illicitly tapped, on which the full tree tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for :—

Districts.	Coconut palms (for each half-year as defined in rule 11 above)	Sago palms (for each half-year as defined in rule 11 above).	Palmyra or date palms (for the whole year as defined in rule 11 above).	Dudasal (*Areaga Wightii*) palms (for the whole year undefined in rule 11 above).

15. For the convenience of applicants, applications will be received from 1st September or 1st March; but no trees will be marked, nor licences issued, nor preparation of spathes permitted before 15th September or 15th March; nor shall pots be attached to trees before the evening of the 30th September or 31st March, as the case may be. In the case of 'Kodai Palai' palmyra trees tapped at concession rates in the Tinnevelly subdivision, marking will be allowed from the 26th July. In the case of date trees the process of preparation will be allowed from the 16th September but the incision

required for the insertion of the drip leaves will not be allowed before the evening of the 30th September. In no case shall toddy be drawn except during the currency of the licence.

16. All toddy drawn under the tree-tapping licenses granted in accordance with these rules shall as soon as the pots containing it are removed from the trees, be immediately conveyed direct to a distillery or a licensed toddy shop under a general transport permit which will be granted gratis by the Inspector. In the South Kanara district when a licensee desires to change the shop to which his toddy is to be taken, the permit will be amended on application and on prepayment of two annas in addition to the court-fee stamp of the value of one anna to be affixed to the application. Tree-foot sales or sales in the open are absolutely prohibited.

SALT, ABKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No. 7, *dated* 13*th July* 1920.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency including the Bargaconalle State and the toddy farms of 123 villages of the Parlakimedi Maliahs of the Ganjam district will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1920 and ending 30th September 1921. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom the auction sales will be conducted will be notified by Collectors in their District Gazettes. The Collector of Ganjam will notify separately the special conditions applicable to the toddy farms in his district. A separate notification will be issued regarding operations under the tree-tax system.

Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Kurnool district, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 from bidders for toddy shops. In the South Kanara district, the selling officer may, at his discretion, reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 5. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms.

II. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power of attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of license or of a contract under the Abkari Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or in arrears to Government; (3) that his bid is purely speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop, or of a neighbouring village; (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; (6) that he is a brewer bidding for beer shops; (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken or the shop resold at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause I) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause I will be forfeited and the shop or farm will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop or farm in the sales then in progress.

VII. Any person to whom a shop or farm has been knocked down and who has made deposits as provided in clauses I and VI shall also deposit, in cash or approved security, within two days from the date of communication of the Collector's acceptance of the bid, such further sum as with the former deposits will make up two months' rent and shall without unnecessary delay take out a licence on the conditions herein after set forth. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is requested to deposit twice that sum under clause VIII infra.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause VII supra, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 57, Schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000. In all cases where sureties are demanded the licensee shall be bound to execute a counterpart agreement

IX. On the failure of any person to make a deposit or take out a licence under clause VII or to comply with any requisition or to execute any engagement under clauses VIII supra, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer on a date to be notified by the Collector or may be otherwise disposed of by the latter officer. Resales under this clause will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

X. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him.

XI. The deposits referred to in clause VII or VIII may be made either in cash or in recognised Government, Port Trust, Municipal or Local Board securities or by depositing Postal Savings Bank pass-books. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required, as in the circumstances of the market he may think necessary. The securities or Savings Bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. Deposits in cash will be adjusted towards the instalments of kists due in the last months of the period of the lease. Deposits of securities or savings bank pass-books will be returned upon payment of the full amount of the kists due in cash unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under clause IX of the conditions of section sale or under condition 37 of the General Conditions applicable to all Abkari and Opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under condition 10, 11 or 41 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside these limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Salt, Abkari and Customs department, the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door, the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway

and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar,

c. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drugs except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop and none of the toddy shops opened for the supply of toddy to the Salem town shall be opened before 9-30 a.m. No other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Collectors may at their discretion order the closure of any depot at sunset and may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such measures to be advisable in the interests of the public. The Board may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) Collectors are authorized to notify at the time of the auction sales that specified shops will be closed on the occasion of specified festivals and that the hours of sale at specified shops which are situated within a mile of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness. Discretion is also allowed to Collectors to order the closure of specified shops in the neighbourhood of factories, mills and other places where large numbers of operatives assemble on week days from 11-30 a.m. to 1-30 p.m., on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. The Collector of Salem is authorized to order the closure at 12 noon on Tuesdays, of toddy shops within five miles of the Salem Municipality, the names of such shops being specified at the time of the auction. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

11. Depots and shops situated on or adjacent to line of march must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall on his motion close his depot or shop when there is a riot or disturbance in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling license. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any arrack or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 18 or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any depot or shop and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

15. No liquor, opium or intoxicating drug shall be sold or given—

(a) Except at shops specially approved by the General Officer Commanding the Division [or Independent Brigade] or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the licence—

(1) to sailors of the Royal Navy, soldiers and members of their families; or

(2) to any other person living in barracks;

(b) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, i.e., any class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise officers and Railway servants when on duty; or,

(c) in any circumstances to any—

(1) European vagrant under escort of the Police;

(2) child or young person under eighteen years of age;

(3) insane person, or

(4) person known or believed to be intoxicated.

Note.—The restrictions in (a) and (b) do not apply to soldiers, their families and followers when they are absent on leave from their regiments.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

---

* For liquor shops—vide Board's Notification No. 8, dated 31st January 1919, and Notification No. 8, dated 19th July 1920.

† For opium shops in the Agency tracts of the Ganjam, Vizagapatam and Godavari Districts a uniform rate of 4 rupees a tola has been fixed.

18. No liquor, opium or intoxicating drug in excess of the quantities prescribed for possession without a licence as specified below shall be issued to any person at any one time from any licensed premises without a valid permit, nor shall liquor be sold at wholesale depots in quantities less than the maxima prescribed :—

Provided that the Governor-General, in the case of an election to the Council of State or the Legislative Assembly, and the Governor or the Lieutenant-Governor, in the case of an election to his Legislative Council, may exempt any such person from such disqualification.

STATEMENT OF OBJECTS AND REASONS.

The Report of the Joint Select Committee on the Government of India Act contains the following important recommendations in regard to elections :—"The Committee are themselves firmly convinced that a complete and stringent Corrupt Practices Act should be brought into operation before the first election for the Legislative Councils. There is no such Act at present in existence in India, and the Committee are convinced that it will not be less required in India than it is in other countries."

2. Rules have been framed prescribing the qualification of electors and members of the Indian Legislature and of Governors' Legislative Councils and for the final decision of doubts and disputes as to the validity of any election. These rules empower the Governor-General or Governor as the case may be to appoint Commissioners to try all such disputes, and to report to the Governor General or the Governor as the case may be, the result of their inquiry. Under these rules an election must be declared void if a corrupt practice of a serious nature is found to have been committed by a candidate or any agent of his, whether with the knowledge of the candidate or not. Such corrupt practices are bribery, undue influence, personation, or abetment of personation and deliberate false statements about a candidate at an election. The rules also provide that malpractices of a less serious nature will only render an election invalid if they materially affect the result. Persons found guilty of malpractices are disqualified for varying periods from being candidates for election to the Councils or voting or acting as agents at elections. The rule-making power under the Government of India Act does not enable provision to be made except for these matters.

3. It is clear that the rules need to be supplemented by legislation if effect is to be given to the recommendations of the Joint Committee. The Government of India think it desirable that advantage should be taken of this opportunity to make election offences part of the general law of the land, not only in respect of Legislative bodies, but also in

the case of elections to public bodies generally. Sporadic legislation has been undertaken in certain Provinces but the major offences, at any rate, should, it is thought, be dealt with in the Penal Code.

4. The objects of the present Bill are therefore two-fold. Firstly, it seeks to make punishable under the ordinary penal law bribery, undue influence and personation and certain other malpractices at elections not only to the legislative bodies, but also to membership of public authorities where the law prescribes a method of election; and, further, to debar persons guilty of such malpractices from holding positions of public responsibility for a specific period. Secondly, it proposes to empower the Commissioners appointed under the rules referred to above to exercise judicial powers of investigation in respect of elections to legislative bodies in India. As regards other bodies, the matter is one which, in the opinion of the Government of India, may be left to be dealt with by local legislation.

5. Accordingly Part I of the Bill inserts a new Chapter in the Indian Penal Code, and makes the necessary amendments in the Code of Criminal Procedure.

6. 'Election' is defined as including election to all classes of public bodies where such a system is prescribed by law. All persons who have to deal with the preparation of electoral rolls and the like and to conduct any part of an election are declared public servants. The effect of this provision is that Chapters IX and X of the Indian Penal Code, which deal with offences relating to or by public servants or contempt of their lawful authority will become applicable to these persons.

7. The new offences which it is intended to insert in the Penal Code are bribery, undue influence, personation and deliberate false statements with the object of prejudicing a candidate at or in connexion with elections.

8. 'Bribery' is defined primarily as the giving or acceptance of a gratification either as a motive or as a reward to any person, either to induce him to stand as, or not to stand as, or to withdraw from being, a candidate, or to vote or refrain from voting at an election. It also includes offers or agreements to give or offer and attempts to procure a gratification for any person. Gratification is already explained in section 161 of the Penal Code and is not restricted to pecuniary gratifications or to gratifications estimable in money.

Treating will be bribery if refreshment is given or accepted with the intent required by the law.

9. Undue influence at an election is defined as the voluntary interference or attempted interference with the right of any person to stand or not to stand or withdraw from being a candidate, or to vote or refrain from voting. This covers all threats of injury to person or property and all illegal methods of persuasion and any interference with the liberty of the candidates or the electors. A sub-section is added to explain that the inducing or attempting to induce a person to believe that he will become the object of Divine displeasure is also interference. It is not, however, interference within the meaning of the clause to make a declaration of public policy or a promise of public action.

10. The definition of 'personation' closely follows the definition in section 24 of the Ballot Act, 1872, and covers both a person who attempts to vote in another person's name or in a fictitious name, a voter who attempts to vote twice and any person who abets, procures or attempts to procure such voting.

11. On the lines of section 1 of the Corrupt and Illegal Practices Prevention Act, 1895, false statements of fact in relation to the personal character or conduct of a candidate are penalized.

12. It is also made illegal for any one, unless authorized by a candidate to incur any expenses in connexion with the promotion of the candidate's election and if by any law accounts have to be kept, failure to keep such accounts is made penal.

13. No prosecution in respect of the offences as created is to be instituted except with the sanction of the Governor-General in Council, the Local Government or some other officer empowered by the Governor-General in Council in this behalf.

14. Part II of the Bill deals with legislation ancillary to rules framed under the Government of India Act providing for inquiries in the case of disputed elections, and gives statutory powers to the Commissioners appointed to hold inquiries under those rules.

15. Under clause 5 the Commissioners are given the powers of a Court under the Civil Procedure Code to enforce the attendance of witnesses and to record evidence, and provision is made in regard to other ancillary matters.

16. Clause 6 makes the Indian Evidence Act applicable to all inquiries and under clause 7 documentary evidence is not to be refused merely on the ground that a document is not duly stamped or registered.

17. Clause 8 is based on section 69 of the Corrupt and Illegal Practices Prevention Act, 1883, and while providing that no witness shall be excused from answering any question on the ground that it might incriminate him, the Commissioners may give a certificate of indemnity which will save him from criminal prosecution and prevent his answers being proved in civil proceedings.

18. The Bill further provides for appearance by pleaders, for paying expenses of witnesses, for costs and for their realization.

19. Disqualifications on the lines of those which have recently been inserted in the Insolvency law in India by section 73 of the Provincial Insolvency Act, 1920, and by section 103-A of the Presidency Towns Insolvency Act, 1909, as recently amended in 1920, are by clause 13 imposed on persons who have been convicted of bribery, undue influence or personation at an election, or have been disqualified by an order of any authority from being elected or from being an election agent, or voting, or from holding public office for a specified period.

In addition, however, to the disqualifications contained in the Insolvency law persons within the scope of this clause are disqualified from being appointed trustees of public trusts.
